ETHICS POLICY STATEMENT**

This Ethics Policy Statement provides general guidelines for Committee members to follow while carrying out their roles. Not all ethical issues that Committee members face are covered in this Statement. However, this Statement captures some of the critical areas that help define ethical and professional conduct for Committee members. The provisions of this Statement were developed from existing laws, rules, policies and procedures as well as from concepts that define generally accepted good business practices. Committee members are expected to strictly adhere to the provision of this Ethics Policy.
